

REMARKS

In response to the Restriction Requirement dated November 20, 2007, Applicants hereby wish to elect, with traverse, the subject matter of Group I (claims 1-13, 23, 40, and 57) for continued prosecution in this application. Furthermore, Applicants wish to elect, with traverse, Species C (the catheter comprises an elongate tubular member having a proximal region, a distal region, a lumen extending therebetween, and a multilayer torque cable including a first helical coil and a second helical coil). Claims 23 and 72-78 are readable on the elected species.

Favorable action on the merits of the claims is therefore earnestly solicited. If any issues remain, please contact Applicant's undersigned representative at (949) 760-9600. The Commissioner is hereby authorized to charge any additional fees that may be required to Deposit Account No. 50-2862.

Respectfully submitted,
